

DATA TEAM WORKSHOP

Wednesday, May 29, 2013 | 9:30 AM – 2:30PM

NH School Administrators Association
46 Donovan Street, Suite 3
Genovese Conference Room

Goals

- 1) To build relationships and understanding among data and information staff from the state departments of education and collegiate representatives involved in the New England Secondary School Consortium.
- 2) To strengthen our individual and collective understanding of the content and context of the NESSC work relative to the key measures of progress.
- 3) To review, refine, and make recommendations on the data collection processes and protocols that NESSC will use to track the lead measures tied to the initiative, as well as other data related to the League of Innovative Schools.
- 4) To review the 2012-2013 data submitted, the adherence to business rules for data collection and submission, and the effects on comparability.
- 5) To review the data display and outline for the 2013 NESSC Technical Report.
- 6) To share best practices and discuss solutions to issues in a collegial, collaborative setting.
